

WHAT IS BLOCKONOMICS?

Blockonomics 

www.blockonomics.co

OWN YOUR BITCOIN

Blockonomics helps you **accept and track** bitcoin payments, to enhance the wallet you already own.

Payments go directly to **your wallet**, so that you can **be your own bank**.

We do not hold your keys, unlike other payment processors.

WE HELP YOU...

Accept Bitcoin Payments

Payment Processor for e-commerce merchants to accept bitcoin

No KYC required to sign-up

No limits on the amount of bitcoin that can be received

Invoicing tool for freelancers & businesses to accept bitcoin

Track Bitcoin Payments

Block explorer to track any BTC address

Wallet watcher to monitor your wallet balance and transactions

Receive email notifications for any BTC transaction

Simple Pricing - First 20 payments FREE, 1% transaction fee afterwards.

ACCEPT BTC, EVERYWHERE

Browse our [integrations](#) for all major e-commerce platforms.

Create [payment links](#) to share on socials, and [buttons](#) or [widgets](#) for your own website.

You can even build from [our API](#).

WHAT OUR COMMUNITY SAYS

Our community is driven by a strong passion for Bitcoin. From time to time, our customers join us for interviews on our podcast and on YouTube.

Mr. Ilkka (artikwarrior.fi):

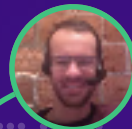

Blockonomics' solution was super easy to install and their support one of the best I have ever come across.

Mr. Morrison (teeshopghana.com):

The Blockonomics API is very easy to integrate. Payment is very fast and they have quick support.

[watch the interview](#)

Ms. Petek (petek.co.uk):

Blockonomics is really, really easy, I haven't had one person say "I can't understand this or know how to do this".

CONNECT YOUR WALLET

Point out where
you would like
your revenue to
land each time
you receive a
payment from
your customers.

POWERING BITCOIN SINCE 2015

Blockonomics is the top payment processor because we care about Bitcoin.

Unlike other payment processors, Blockonomics is focused on allowing you to be your own bank. As a direct payment processor, our vision aligns with the Bitcoin philosophy: no middle men, no withdrawal fees. You own your Bitcoin. Founded in April 2015, our global team of seasoned crypto developers and marketing specialists have joined together in expanding the infinite possibilities that blockchain technology has to offer.
